MESSAGE:

This is to supplement my Interoffice Memo of May 20, 2002.

NLRB Compliance personnel have asked that I clarify that the NLRB Notices for Bev II and III are to be posted on June 10, 2002 and maintained for 60 consecutive days at union and non-union facilities of Beverly Healthcare in conspicuous places including all places where notices to employees are customarily posted. Therefore, it is expected that 2 or 3 notices will be posted and maintained at most one-story facilities. The additional copies were provided to you in the event notices need replacing.

Please contact me if you have any questions.
